

## **Important Information for Internships at Wuppertal Institute**

### **Object:**

To gain practical experiences in application-oriented sustainability research, which are limited in time, in addition to studies at university.

### **Tasks:**

Usually guided assistance in third-party funded projects, especially academic support, e.g. to do research or surveys.

### **Prerequisites:**

- Internships are only offered for enrolled students (unfortunately, there are no internships for pupils).
- Interns are not paid.
- Duration: at least four weeks.  
Within the scope of a seminar paper, a master's or diploma thesis a longer duration is possible.
- Please send applications with a curriculum vitae to [birgit.wolff@wupperinst.org](mailto:birgit.wolff@wupperinst.org) or to the said contact person.
- Applications have got a lead time of ca two months.
- Language skills: German and usually English.

### **Interns from non-EU member states:**

- must have a valid residence and work permit.
